**STATEMENT OF PROBABLE CAUSE**  
(For issuance of an arrest warrant or summons)

I state that on August 29, 2020 while exercising my duties as a law  
officer in the COLUMBUS District of OH

Pursuant to 16USC 551: 36CFR261.54d

I state that on 29 August 2020, while exercising my duties as a Law Enforcement Officer in the Southern district of Ohio. While on patrol on the Wayne National Forest, Athens Ranger District, in the Jacobs Road Area, United States Forest Service (USFS) Law Enforcement Officer (LEO) A. KELLEY was conducting trail compliance checks for trail pass, safety equipment, APV registration, and other trail requirements on USFS OHV trail users.

While conducting checks, LEO KELLEY encountered a group of individuals operating ATV's on the road. When asked, they indicated that they had been operating on the trail system and had left the trail system thinking that it was legal to operate on the road. Upon further investigation it was discovered that neither operator had a trail pass or vehicle registration. They indicated that they had paid a fee to camp at a privately owned campground and believed that that included their trail fee. LEO KELLEY indicated that a fee to operate on the trail is required and that trail fees are not included in camping fees anywhere on the National Forest. The operators indicated that they were camping at a privately owned campground near the National Forest, and that they knew they were operating on the National Forest Trail system and had done so previously. The suspect was identified by name and date of birth to be JACKSON, Andrew M. JACKSON was found to have Ohio Drivers License number UV517282 to be JACKSON was cited for operating an unregistered vehicle where required under 36CFR261.54d

The foregoing statement is based upon:
